SOUP SUPPERS - Catholicism Series: The presentation of the Catholicism Series will start on Tuesday, February 7th at 6:30 to 8:00 pm and will continue weekly on Tuesdays through Lent. Each week's program will start with a soup supper followed by a half hour film on a big screen from the Catholicism Project followed by discussion. You are invited to come for the soup supper, the film, or both.

The Catholicism Series offers a vision of the Catholic faith in the modern world and seeks to explore, through a global journey, the living culture of the Catholic Church. From the lands of the Bible to the shrines of Europe, the heartland of America, the mysteries of Asia and beyond, the Series examines the passion and the glory of the faith that claims over a billion of the Earth's people as its own. The film is provided by the Diocese of Richmond.
